Andy,

Photos attached.

Accident happened this morning approximately 11:30 am on 12/22/2022

Address of accident was 26th and Cedar Ave in Mpls

I was stopped at a red light and I was rear ended by this car. I do not have info on the driver but the police took a picture of his ID and that will be in the police report.

I dropped off my passenger and was on my way to pick up another passenger (in the confusion I thought I was not going to a passenger but I was).

I'll wait to hear from you or/and adjuster.

Let me know if you need anything else from me.
