ADDITIONAL MESSAGES

State Farm® works hard to offer you the best combination of price, service, and protection. The amount you pay for homeowners insurance is determined by many factors such as the coverages you have, the type of construction, the likelihood of future claims, and information from consumers reports.

Your coverage amount....

It is up to you to choose the coverages and limits that meet your needs. We recommend that you purchase a coverage limit at least equal to the estimated replacement cost of your home. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an Xactware estimate using information you provide about your home. We can accept the type of estimate you choose as long as it provides a reasonable level of detail about your home. State Farm® does not guarantee that any estimate will be the actual future cost to rebuild your home. Higher limits are available at higher premiums. Lower limits are also available, which if selected may make certain coverages unavailable to you. We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your home.

IMPORTANT NOTICE . . . Information Regarding Your Premium

Claims and information from other State Farm® policies in your household may have been used to determine the premium shown. A policy may be considered “in your household” if, according to our records, the policy has a name and address in common with this policy.

Consumer reports may also be used to determine the price you are charged. We may obtain and use a credit-based insurance score developed from information contained in these reports. We may use a third party in connection with the development of your insurance score.

IMPORTANT NOTICE ABOUT YOUR POLICY

With our Claim Record Rating Plan, your savings will typically increase the fewer claims you have and the longer you’re insured with State Farm®. We adjust premiums based on the number of claims under the rating plan. Depending on your state, claims under the plan generally include those resulting in a paid loss and may include weather-related claims where permitted. In addition, any claims with your prior insurer resulting in property damage or injury may also influence your premium.

Our Loyal Customer Discount provides a premium discount based on the number of years that you have been with us.

For more information about whether the Claim Record Rating Plan applies in your state, the claims we consider for the plan, or whether the Loyal Customer Discount is in effect in your state, please contact your State Farm agent.

PREMIUM ADJUSTMENT

Insurance premiums have been adjusted and continue to reflect the expected cost of claims. Some policyholders will see their premiums increase while other policyholders may see their premiums decrease or stay the same. The amount your premium changed, if at all, depends on several factors including the expected claim experience in your area, the coverage you have, and any applicable discounts or charges.

The enclosed Renewal Declarations reflects your new premium.

State Farm® works hard to offer you the best combination of cost, protection, and service. We will continue doing our best to make the most effective use of your premium dollars and give you superior service when you need it.

If you have any questions about your premium, or policy coverages, please contact your State Farm agent.
