## Notice of Information Practices - Minnesota

You have certain rights under state and federal law with respect to the privacy of information we obtain about you when you engage in insurance transactions involving insurance primarily for personal, family or household use. You will receive, or already may have received, a notice entitled "Farmers Privacy Notice." Your state gives you additional protections that are explained in this notice. Our information practices, as described in this notice, extend to applicants, policyholders and former policyholders.

### Collection of Information

Much of the information we need comes from you when you apply for insurance. Sometimes, however, we may need additional information or may need to verify information you've given us. In those instances, we may contact you, your spouse or another adult member of your household either by phone or by mail.

In addition, we often employ the common insurance industry practice of asking an outside source, called a "consumer reporting agency" or "insurance support organization," to provide us with consumer reports. On occasion, that source may contact you, another adult member of your household or a neighbor, either by phone or in person to provide us with a report. As the Named Insured, you have the right to request that you or your spouse be contacted for a personal interview. If you choose this option, we will make every effort to comply with your request.

We may also obtain information from consumer reporting agencies and other sources for purposes other than underwriting, such as when processing claims, investigating potential fraud, or servicing your account. For example, we may obtain financial information relating to a particular bank account if you desire to set up an electronic funds transfer payment. In addition, we may obtain information relating to health and employment during the processing of a claim.

### Types of Information Collected

In connection with the underwriting and/or servicing of policies covering your personal vehicles, we may obtain information, including information relating to the use of your vehicle(s), ages and drivers, mileage, items relating to the driver, such as, personal habits and characteristics, credit information, prior accidents and driving violations, prior arrests or convictions, claims history and previous insurance experience.

In connection with the underwriting and/or servicing of policies covering your real and personal property, we may obtain information, including information relating to construction type, square footage, heating, other physical characteristics of the property, care and maintenance of the property, the personal habits and characteristics of the property's occupants, credit information, claims history and previous insurance experience.

### What We do with Information We Collect About You

We use the information we collect about you to perform insurance functions, including underwriting and servicing your policy, processing claims and for other purposes permitted by state and federal law. For example, we may disclose this information, as permitted by law, and without your prior authorization to:

1. Your Agent, who may need the information to service your policy.
2. Persons who need this information to perform normal business functions for us.
3. Persons conducting actuarial or research studies on our behalf.
4. Persons to detect or prevent criminal activity or fraud in connection with an insurance transaction.
5. A healthcare institution or health professional, to verify insurance coverage or benefits, or to inform an individual of a medical problem of which the individual may not be aware.
6. An insurance regulatory authority.

## Policy Notices (continued)

---

7. Law enforcement or other governmental authority.
8. A group policyholder to report claims experience or conduct an audit of our operations, but only as necessary to conduct the review or audit.
9. Affiliates, as permitted by law.
10. Other non-affiliated third parties, as permitted by law.
11. A party to a proposed or consummated sale, transfer, merger or consolidation of all or part of the company underwriting your policy.

Information obtained from a report prepared by an insurance-support organization may be retained by that organization and disclosed to other persons who use these reports, but only to the extent permitted by federal and state law.

### **Access to and Correction of Personal Information**

You have the right to know the contents of any recorded personal information about you that is in our records, including any investigative consumer report we have obtained. You also have the right to receive a copy of this information and to request that we correct, amend or delete any of the information that you feel is in error. To exercise these rights, you must send us a written request. If you request correction, amendment or deletion of any erroneous information, we will review the recorded personal information and your written request. If the requested changes are in order, we will make the appropriate changes in our records. If we cannot make the change, you then have the option of filing a statement of the reasons why you disagree with our decision, which will be included in our policy records so anyone reviewing the disputed personal information will have access to it. Any future disclosure made by us, if any, will also include your filed statement. We will also provide a copy to anyone designated by you who may have received recorded personal information from us in the past two years. In any case, whether we can or cannot comply with your request to correct recorded personal information, we will advise you of our decision in writing.

These rights do not extend to information collected in connection with or in reasonable anticipation of a claim, or civil or criminal proceeding, or to specific items of privileged information when an applicant or policyholder is suspected of fraud, material misrepresentation or material nondisclosure.

You may contact your Agent for the appropriate service center address where you can direct your written inquiry.

### **Keeping You Informed**

As required by law, we will notify you of our information practices regularly. We reserve the right to modify our practices at any time, when permitted by law.

If, after reading this, you have any further questions, please feel free to contact your Agent.

### Minnesota Surcharge Disclosure Statement - Farmers Insurance Exchange

(Effective for Policies Issuing on and after 1/4/2016)

Insurers consider many factors in rating automobile insurance including the safe operation of a motor vehicle. The following is an explanation of how accidents and violations affect your private passenger automobile insurance premiums with Farmers Insurance Exchange. Minnesota law authorizes insurance companies to apply a surcharge, or increase in premium, on automobile insurance premiums. Higher premiums are charged for drivers based upon the number of penalty points accumulated during the preceding 36 months.

This Minnesota Surcharge Disclosure Statement explains how, for policies issuing on and after January 4, 2016, Farmers Insurance Exchange will apply a surcharge to accidents and violation convictions.

#### Chargeable Accidents

Chargeable accidents are those for which a payment is made under a policy's liability, property damage or collision coverages.

Points are assigned for each accident during the preceding 36 months for the named insured and others who regularly drive the vehicle.

**Points are charged regardless of which vehicle was being driven at the time of the accident.**

#### Additional surcharges

If Farmers is unable to locate a driving record from the state's Bureau of Motor Vehicles or similar agency, we will apply an Unverifiable Driving Record (UDR) Surcharge equal to a M Violation 2 (MAX). However, after we receive a valid driving record, the UDR surcharge will be removed and surcharges will be assigned based on any and all new driving record information.

#### Safe Driver Discount

At any point during the policy term any driver with 0 BI points will qualify for the Safe Driver discount. If any driver with the discount incurs 1 or more BI points during the time that they are insured with Farmers Insurance Exchange the discount will be removed from the driver. The driver can qualify for the discount when they reach 0 BI points.

#### Accident Forgiveness

Accident Forgiveness coverage is available for purchase if the driver meets the following qualifications:

## Policy Notices (continued)

---

<i>Age Group</i>	<i>Criteria</i>
<b>Less than 21 years of age</b>	Driver must have 3 years of driving experience. If the driver has less than 3 years of driving experience, they must have a qualifying parent in the household.  Driver must have in the last 3 years: 0 chargeable at-fault accidents, 0 minor or speeding citations and 0 major or maximum citations or DUIs.
<b>Age 21-24</b>	Driver must have 3 years of driving experience. Driver must have in the last 3 years: 0 chargeable at-fault accidents, 0 minor or speeding citations and 0 major or maximum citations or DUIs.
<b>Age 25+</b>	Driver must have 3 years of driving experience.  Driver is eligible with 1 minor or speeding citation, but must have in the last 3 years: 0 chargeable at-fault accidents, 0 major or maximum citations or DUIs.

### Exceptions

Points will not be assigned in an accident:

1. In which the vehicle was lawfully parked; or
2. In which the vehicle was hit by a "Hit and Run" driver and the accident was reported to the proper police authorities within 24 hours; or
3. In which the vehicle was struck in the rear by another vehicle and the driver of the vehicle which was struck in the rear was not convicted of a moving violation in connection with the accident; or
4. In which the driver of the vehicle was not convicted of a moving violation in connection with the accident but the driver of another vehicle involved in the accident was convicted of a moving traffic violation; or
5. Which occurred while the driver was operating an emergency or commercial vehicle; or
6. Which result in an amount being paid under Personal Injury Protection or Additional Personal Injury Protection and no payment is made under the Liability or Collision coverages. This exception does NOT apply to single vehicle accidents in which damage to property occurs; or
7. Where we recover a portion of any covered Collision loss through subrogation.

### Convictions

Points are assigned for convictions during the preceding 36 months for the motor vehicle violations of the named insured and others who regularly drive the vehicle. **Points are assigned regardless of which vehicle was being driven at the time of the convictions. Almost all moving traffic violation convictions are assigned points, not just major violations.**

### Chargeable Violations

**Major Violations include:**

- 1) Driving while in an intoxicated condition or under the influence of drugs and also includes a driver's license record entry of implied consent
- 2) Failure to stop and report when involved in an accident
- 3) Felony involving the use of a motor vehicle
- 4) Driving a motor vehicle in a reckless manner which results in an injury to a person
- 5) Driving a motor vehicle during the period of time the driver's license is suspended or revoked

## Policy Notices (continued)

### Maximum Violations include but are not limited to:

- 1) Serious violations like careless driving and drag racing

### Minor Violations include but are not limited to:

- 1) Routine traffic violations such as running a stop sign and failure to yield

### Driving Under the Influence Violations include but are not limited to:

- 1) All other alcohol related violations that do not qualify as a major violation

When multiple charges result from a single occurrence (i.e., any combination of accident or violations), only the point charge with the highest point value is assigned.

### Surcharge percentages

The way in which Farmers Insurance Exchange calculates surcharges is complex and results in a large number of possible surcharge percentages. **Violation and accident surcharges vary by the number of points, driver age, violation age, coverage, prior insurance information, the named insured's insurance score (based on credit information), and surcharge calculation.** Because there are so many possible surcharge percentages, they cannot all be displayed in this form. Instead, using the following tables, you can calculate the **surcharge percentage range** for your specific policy. However, **the percentages calculated by using these tables are still approximations.** If you have any additional questions about how the premium on your policy is developed, please contact your personal Farmers<sup>®</sup> agent.

### Surcharge calculation

Follow these steps to calculate the **surcharge percentage range** for your policy:

1. Locate the **Minimum Surcharge** table.
2. Find the row that includes your age and the column that reflects the violation point class.

## Policy Notices (continued)

3. Select the percentage from the intersection of this row and column. This percentage represents the Minimum Surcharge Percentage.
4. Repeat steps 1 through 3 to calculate the Maximum Surcharge Percentage.
