Important Notice...

Arizona law requires the possession of evidence of financial responsibility within the motor vehicle. This card meets this requirement and is satisfactory evidence if you are asked by the motor vehicle division to verify financial responsibility on the motor vehicle.

Arizona law requires us to provide two Insurance Identification (ID) Cards for each insured vehicle. The ID cards show that a liability insurance policy has been issued which satisfies the financial responsibility requirements of the law. An ID card must be shown to any law enforcement officer or the division of motor vehicles if requested. In the event of an accident, the ID card may be used to exchange information with other drivers.
