Dwelling coverage (coverage A)
Provides coverage for the dwelling on the residence premises, as shown in the Policy Declarations, used principally as a private residence. Limits should reflect an amount that will allow the customer to rebuild their existing dwelling.

Other structures coverage (coverage B)
Provides coverage for fences, driveways, and walkways as well as other structures on the residence premises not attached to the dwelling.

Personal property coverage (coverage C)
Personal property coverage provides worldwide protection for your possessions in case of damage or theft. Your personal property is covered at replacement cost, which means we'll pay you the full amount that it will cost to replace your item with a brand new one.

Your deductibles	Amount	The deductible is the amount you'll pay out of pocket for a covered loss. For example, if your covered loss is \$10,000 and your deductible is \$1,000, your claims payment would be \$9,000. Higher deductibles generally result in lower premiums but will cost you more out of pocket.
