Understanding Coverage Choices

Below are general descriptions of types of insurance coverages. You'll want to consult your policy for terms, conditions and limits of your own insurance coverages.

Auto Insurance

Death Indemnity Insurance - If a covered accident takes the life of a policyholder or a family member that lives with them, we'll pay \$10,000 to help with expenses.

Bodily Injury Liability - Helps protect you from paying medical costs, loss of income and funeral expenses of other people involved in an accident.

Property Damage Liability - Helps protect you from paying for the repair or replacement of another driver's car.

Uninsured Motorists Insurance for Bodily Injury - Coverage includes your injuries or death, or those of your passengers or family members driving your car if it's hit by a driver with little or no insurance.

Uninsured Motorists For Property Damage - Coverage includes damage to your car or property if you're hit by a driver with little or no insurance (not available in all states).

Medical Payments - Can help pay for some of your medical costs or funeral expenses if you or anyone in your vehicle is injured in a covered accident.

Auto Collision Insurance - Pays for damage to your car if you collide with another car or something else such a building, bridge or tree. If someone hits your parked car, this is considered a collision as well.

Auto Comprehensive Insurance - Pays for damage to your car caused by something other than a collision such as theft, fire, windstorm or hitting an animal.

Roadside Coverage - Pays for towing and basic roadside assistance expenses (such as lockouts, fuel

delivery, tire changes, jump starts) if you are stranded on the road.

Transportation Expense - Repays you for the cost of renting a vehicle or using alternative forms of transportation (such as bus, train, taxi, ridesharing) while your vehicle is being repaired due to a covered accident.

Custom Equipment - Collision - If you installed custom equipment or accessories in your vehicle (such as grilles, spoilers, spinners) and they are damaged in a covered collision loss, we'll pay for it.

Custom Equipment - Comprehensive - If you installed custom equipment or accessories in your vehicle (such as grilles, spoilers, spinners) and they are damaged in a covered comprehensive loss, we'll pay for it.

Renters Insurance

Personal Property - Covers the loss of your belongings if they're stolen or damaged.

Family Liability Protection - Can help protect you from financial loss if you're legally obligated to pay for another person's injuries or damage to another person's property.

Guest Medical Protection - Can help pay for reasonable and necessary medical expenses if someone is injured in an accident in your residence.

Personal Property Reimbursement Provision - Typically means your belongings are covered for the amount it would take to replace them at the time of the claim. Premiums are usually higher for this coverage.

Additional Living Expense - Can help by reimbursing you for reasonable increases in living expense when a loss Allstate covers makes your residence uninhabitable. This may include payments for the cost of a hotel, food and other expenses. This coverage is included in your Allstate Renters Policy.

Extended Coverage on Jewelry, Watches and Furs -

Extends coverage for jewelry, watches and furs.

Identity Theft Expenses - Allstate's Identity

Restoration Coverage provides high-quality fraud assistance, handling everything from proactive fraud alerts to inquiries from creditors. The moment you contact us, a personal fraud specialist will help lock down your personal info and help repair any damage to your identity.
