Hi Ms. Stachowitz,

Thank you for the opportunity to provide a quote for your home. I have attached a proposal for you to review with Encompass Insurance, an Allstate owned company as they have the best combination of price and coverage I was able to find for your home.

Encompass includes replacement cost coverage for your home, roof and personal belongings along with sudden & accidental water damage.

Please take a moment to review the attached quote and let me know if you have any questions or would like to make any changes. I look forward to working with you!

Kind regards,
