If your policy provides Collision coverage, then you are covered for collision damage to rented vehicles, subject to all of the terms and conditions contained in your policy.

You should carefully review your policy to assure yourself that you have purchased sufficient coverage from us. It is your responsibility to know and understand the amount of insurance you have purchased. If you believe anything on your policy declarations or rating information is incorrect, please contact us.

The cost of any coverage indicated as "included" is included in the basic coverages premium amount.
