Dear Michael M Engle and Cathy Engle,

Re: Your Personal Insurance Quote

Thank you for discussing your personal insurance needs with us. Choosing the insurance coverage that fits your needs requires your careful consideration.

Based on the insurance needs you described, I'm pleased to offer you a proposal for an EncompassOne® Policy¹. The EncompassOne Policy offers the convenience of combining your home and auto insurance into one benefit-rich package policy. In addition to the convenience of **one policy, one bill, and one renewal date**, you also can get:

- The special package discount by insuring both your auto and home with Encompass — means you can **save more**
- Coverage that pays to replace your home at the **full replacement cost — guaranteed**
- **One deductible – only one deductible² is applied** if your home and auto are damaged at the same time.
- **Hassle-free** claim service — available 24/7/365
- The **peace of mind** of knowing that you can be protected by an experienced, financially stable provider

Encompass Insurance is only available through independent insurance agents who, like you, have a choice in insurance carriers. We're pleased to be able to offer you a policy from Encompass, one of the largest personal insurance carriers in the country.

The attached proposal is a summary of key coverages of an EncompassOne Policy. If you have any questions regarding this quote proposal, please do not hesitate to ask. I look forward to serving your insurance needs and helping you choose a plan that matches your unique needs.

Sincerely,

PREMIER INSURANCE GROUP, INC

¹ EncompassOne® Policy is the marketing name for the Encompass Universal Security Policy.

² With an EncompassOne Policy only one deductible (the highest deductible) is applied if more than one category of property is damaged in the same loss.
