Quote Terms and Conditions

This offer of coverage is subject to the following:

- <30% sub-contracted labor and all payroll for uninsured subs is reflected in ratable payroll
- Applicant has not operated under a different name within the last 5 years
- Insured does not own any other business that is not separately insured
- Insured does not have any gaps or lapses in current continuous coverage and has not been cancelled or non-renewed for any reason
- Insured's operations do not include any work at heights above 26ft or digging to depths greater than 4ft
- Hard copy loss runs for all historical loss periods within the last 3 years or a signed statement of continuous coverage and no losses (If applicable)
- Verification of information received through the submission process

If any of these conditions apply, please send request for underwriting approval to subs@pieinsurance.com or your underwriter

If coverage is desired please fill in the following information and email back to subs@pieinsurance.com. Please remember to send the following with the request to bind coverage: FEIN, Owner/Officer full names and % ownership, insured contact email, desired payment plan, and address for each insured location (if not already present on the submission). Upon receipt, we will issue an invoice notice for the deposit payment to the insured email and the agency email addresses.

I attest that the insured's operations do not include, even incidentally, any of the activities below, and that the information provided on this and previous pages is complete, true and an accurate representation of this business.

- Risks involving asbestos abatement or exposure to asbestos
- Risks involving any operation, even if incidental, subject to the Defense Base Act
- Wrecking or demolition
- Sewer, subway, or water main construction, shaft sinking, or tunneling
- Underground mining, strip mining or quarrying
- Caisson or coffer dam work, dam, dyke, lock, or revetment construction

- Chemical manufacturing
- Firefighters and police officers
- Railroad operations and construction
- Aircraft flight or ground operations of any kind
- Nuclear Regulatory Commission projects or operation conducted under license from Nuclear Regulatory Commission
- Maritime or federal employments, maritime work of any kind, operations of drydocks, or any U.S. Longshoremen's and Harbor Workers exposure
- Oil or gas operators, contractors, well works, pipeline construction or operations; oil rig and derrick work; onshore gas and/or oil drilling operators having annual revenue of \$20 million or more
- Off-shore or subaqueous work

THIS IS NOT A BINDER OF INSURANCE: Company must receive a written request to bind no later than 11:59 PM on the date prior to the requested effective date of the coverage for which this quote was created. No back dating is allowed without prior underwriting authorization. To purchase or bind coverage call 855-858-5988 or contact us at subs@pieinsurance.com.

This quote is based on the information submitted through the Pie quoting platform and is subject to verification upon request to bind coverage. Coverages are subject to the policy terms, conditions, and exclusions detailed in the insurance contract issued at purchase. Quotations on insurance are provided as estimates and are not an insurance contract. Your actual premium may be higher or lower based on the coverages, limits, and deductibles you request after this quote is generated. Deductibles are available in select states. If you would like to discuss deductible options please reach out to your agent or call 855-858-5988. This is not a binder and no coverage is afforded with this quote.

Note: Premium listed above includes any applicable local and state taxes and surcharges. Other charges may be included; please consult with your agent. Net rates and loaded net rates are estimates only and may change upon final audit.
