### COMMERCIAL INSURANCE PROPOSAL

## NOTICE OF TERRORISM INSURANCE COVERAGE

---

Account Number: ACP 3201334996

---

### NOTICE - DISCLOSURE OF PREMIUM

**Applies to all Commercial Policies, except for Farmowners Multiperil, Business Auto and Crime**

**(This disclosure notice does not provide coverage, and it does not replace any provisions of your policy. You should read your policy for complete information on the coverages you are provided. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.)**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government pays the following percentage of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

- 85%, for insured losses occurring before January 1, 2016;
- 84%, for insured losses occurring during the 2016 calendar year;
- 83%, for insured losses occurring during the 2017 calendar year;
- 82%, for insured losses occurring during the 2018 calendar year;
- 81%, for insured losses occurring during the 2019 calendar year; and
- 80%, for insured losses occurring on or after January 1, 2020.

The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

Other than for Workers Compensation, the portion of your annual premium that is attributable to coverage for acts of terrorism is \$0, and does not include any charges for that portion of losses covered by the United States Government under the Act.

For Workers Compensation, the portion of your annual premium that is attributable to coverage for acts of terrorism is shown on your declarations page, and does not include any charges for the portion of losses covered by the United States government under the Act.

We appreciate your business and look forward to continuing to serve you. If you have any questions, or would like to learn about additional coverage options, please contact your Nationwide agent.
