## Voluntary Provider Networks

We want to let you know about a program that may be available to you.

If you, or anyone covered under your policy, is injured in a loss covered under your auto policy, a Voluntary Provider Network may be available to you. A Voluntary Provider Network includes a variety of participating medical providers that can treat those injuries.

Voluntary Provider Networks maintain lists of their participating providers. In the event that you experience a loss, your claims representative can provide you with contact information for any participating Allstate networks that may be available in your state at that time.

You are under no obligation to use a medical provider who is a member of one of these networks, and you are free to seek medical services from a provider of your choice. There is no penalty if you choose a provider outside the network. If you are injured and treated by a provider who is a member of one of the participating networks, we may review their bills for covered medical services for re-pricing based on the approved rate for that provider's network.

You do not need to make a choice about these networks at this time. Please keep in mind that using a provider within a

## **Your Vehicle Mileage Information**

One of the factors that may influence your auto premium is how many miles you put on your vehicle each year. Allstate may obtain information from you or a third-party vendor indicating the annual number of miles your vehicle(s) is driven. Currently, we're showing you drive the following annual miles:

**Vehicle: 2008 GMC Siera15002wd**

**VIN: 1GTEC19C98Z106843**

**Previous Mileage Band: 7,001 - 8,000**

**Current Mileage Band: 7,001 - 8,000 (Unverified)**

**Vehicle: 2018 Chevy Trk Traverse**

**VIN: 1GNERGKW4JJ270891**

**Previous Mileage Band: 6,001 - 7,000**

**Current Mileage Band: 6,001 - 7,000 (Unverified)**

If we don't have verified mileage information for you, you could be missing out on a potentially lower rate.

If you have documentation to verify annual mileage on any of the above vehicle(s) or to verify a change in mileage from the mileage(s) listed above, contact your Allstate Agent or call us directly at 1-800 Allstate® (1-800-255-7828) to record two odometer readings that are at least 90 days apart.
