Online Payment Submission Disclaimer

Payments received via online payment submission from the insurance producer on policies that are in canceled status may not automatically reinstate the canceled policy. All reinstatements will be subject to company underwriting review. Reinstatement of canceled policies will be effective the next calendar day, if applicable. If, after reviewing the policy, the company decides not to reinstate the policy, the company will return the payment to the insured (less any amount due in earned premium). If needed, the insurance producer can verify reinstatement eligibility prior to payment submission by contacting the underwriting department during normal business hours (**Monday through Friday 9 AM -7 PM CST**) at **(866) 424-9511**.

Thank you. We appreciate your business!
