Each year, we review our medical payments and personal injury protection coverages claim experience to determine the vehicle safety discount that is applied to each make and model. In addition, we review the comprehensive, collision, bodily injury and property damage claim experience

annually to determine which makes and models have earned decreases or increases from State Farm's standard rates. If any changes result from our reviews, adjustments are reflected in the rates shown on this renewal notice.

DRIVER INFORMATION

Principal Driver & Assigned Drivers

Each driver is designated as an **Assigned Driver** on the household automobile that they most frequently drive. Your

premium may be influenced by the information shown for these drivers.

IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current credit-based insurance score. On and after the 3rd anniversary of your policy, any re-rating could result in a lower rate, no change in rate, or a higher rate on your renewal.
