AGREEMENT FOR PRODUCTION OF E-LEARNING MARKETING SYSTEM WEBSITE(S) AUTHORIZATION:

As you can see from the list above, we're prepared to invest an enormous amount of time, effort, energy, and expense to provide you with unprecedented coaching resources and benefits... as well as build your own online membership site for you. We do this without reservation, as we believe deeply in your ability to coach your clients effectively and successfully. Our program can generate a highly lucrative active and passive recurring income for you and your family.

CANCELLATION:

Before we commit all our resources to this project, we ask that you agree to provide us with a 30-day written notice should you ever choose to cancel your membership.

That would result in just one payment owed post-termination. This is the ONLY acknowledgment we ask of our coaches, so we have sufficient time to remove the site from service.

The only exception is if you have been approved for a scaled-in payment program, this agreement will revert to a month-to-month agreement once you have completed the total payments of the scaled-in amount. *The total amount of the scaled payments are your responsibility until you reach the standard payment amount for the Licensing Level Chosen. Once you reach the desired Licensing Level, the agreement automatically reverts to a month-to-month agreement with a 30-day written notice cancellation provision.

TERMINATION:

Upon the termination of this Agreement, you agree to stop all use of our Confidential Information for any purpose without the prior written consent of ProGlobal Business Advisors and Leader Publishing Worldwide.

You agree to return all copies of such Confidential Information and provide a signed Declaration confirming that all such copies have been returned - including the book(s), Focus Group materials, marketing portfolios, etc., we create or provide for you.

DEFAULT:

You are in default if your payment is declined by your bank or credit card company for any reason. There is a \$50 fee to reprocess your charge. If the default is not cured within 3 days, you will incur an additional 10% monthly late fee of the total amount due. If the default is not cured within 30 days, your account will be turned over to a collection agency for collection. You will be responsible for all fees associated with the collection of the amounts owed. This includes collection fees and costs, attorney fees, late fees, and any other remedies allowed by law. We may also report your account to the 3 major credit bureaus as a collection.

REFUNDS:

ALL SALES ARE FINAL!! During the term of your membership, you will have access to our intellectual property and proprietary business processes and secrets. Once you obtain this information, it is yours forever. Therefore, you agree there are NO CHARGEBACKS from your bank or credit card company and there are NO REFUNDS!

GOVERNING LAW:

These Terms of Service are governed by and construed by the laws of the State of Maryland, USA. You irrevocably submit to the exclusive jurisdiction of the courts in that State or location.
