I currently work for State Farm and I have since 2017 I love my job and I love my customers and the relationship that I've built with them. At the end of the day though I hate that it's not my name on the building and I'm not always in able to help them when they fall and get tickets or need a different type of insurance or not being able to write their business because of the stipulations at State Farm has. I want a agency and I feel like I would be a great agency owner especially when it comes to life insurance which is what I'm most passionate about. I feel like it's time for a change for me and my family and for me to be the big man instead of a little man in the business.
