Describe Your Present Situation and What has you exploring new opportunity? (Captive or Independent Agency) Motivation for exploring options? *	I was working for a captive agent (Farmers) for about 6 months, prior to this I worked for another insurance provider for a total of 2 years. I've always loved my job, but hated the fact that I was limited to what I could sell, and who I could write for. I'm super interested in opening my own Independent Agency Home based and work my way up to having an office location with staff.
