Describe Your Present Situation and What has you exploring new opportunity? (Captive or Independent Agency) Motivation for exploring options? *	I've been in the car business for 10 years now. I feel like I'm ready to move on to something new. My current role as a sales trainer is somewhat fulfilling in that I get to spend the majority of my time training and raising up new talent but I also miss the actual sales aspect as a day to day. I'm also at a point in my life where I'm tired of working for someone else, especially when I feel like that person is going to stunt or cap my growth potential. Insurance is something that I have just recently started to look into and a friend of mine who is a State Farm Agent suggested I look into you model.
