

Exclusive Customized Amendments to Existing Agreement

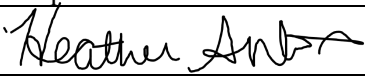

The following changes are agreed to by Contractor, Heather Andrews, and any insurance agency DBA Contractor has, and Company, Premier Group Insurance Inc., and shall only pertain to the specific sections of the agreement as identified below, in accord with the wording below, and do not alter the Agreement in any other way.

1. **Section 4.3.4 Exclusivity** - by this wording is liberalized to allow Contractor the opportunity to obtain direct access to an insurance carrier or insurance carriers for business in the state of Florida, that are named and validated by Company that Company does not have an agreement with, and subject to notification by Contractor to Company sending a copy of the appointment once insurance carrier has appointed the agency under this agreement, but only up to the point in time where Company does procure that insurance carrier. When such insurance carrier(s) are procured by Company, Contractor agrees to move and transfer the business to this agreement and Company agrees to provide an Ownership Addendum providing clear rights and title to that business to Contractor as a matter of record stipulating that the business is not subject to the vesting schedule in this agreement, but is subject to the commission sharing in the existing agreement Exhibits. For such identified Property and Casualty business that is done outside of this agreement during that interim period, Contractor shall provide Company a certificate of insurance for the Errors and Omission coverage purchased by Contractor given that the Company's Errors and Omissions policy does not cover such business.

2. **This Section 2 is a September 3, 2020 Addendum update** naming the specific insurance carriers in reference to Addendum Section 1 above, which has been signed by Contractor. Named carriers are these below and any subsidiary or underwriting companies they may have:
 - Olympus

3. Upon receipt of Contractor's E&O certificate of insurance for the business to which this addendum applies, Contractor may proceed to contract with the named carriers in accordance with this addendum.
