Welcome to Safeco]

We believe insurance shouldn't be any more complex than it has to be. Welcome to an easier experience with Safeco.

Enclosed is your new homeowners policy. Read it through carefully. It will give you a detailed description of the type and amount of your coverage, any deductibles (your out-of-pocket costs) that apply and the effective date of your policy. If, after reading your policy, you have any questions or want to find out about discounts that may apply to your policy, please call (240) 801-6100.

The premium for your policy is \$805.00 for the November 15, 2017 to November 15, 2018 policy term. When you receive your billing statement, please review it carefully for the amount and date of your next payment. Please also verify that your requested payment method is correct.

You can uncomplicate your bill paying experience by choosing our Automatic Deduction Payment Plan, which offers the convenience of monthly deductions from your checking account that can be scheduled any day of the month you like. IMPORTANT NOTICE — CLAIMS HISTORY

Maryland law requires that we notify you that we may consider claims history for purposes of canceling or not renewing your policy. We may consider the number of claims you have experienced in the last 3 years.

If you have any questions concerning this or any other insurance matter, please contact your agent. Your agent's name and phone number are listed on the policy Declarations.

CN-19/MDEP 7/06

Notice of Underwriting Period

We are notifying you that the binder or policy you have just agreed to purchase is subject to a 45 day underwriting period beginning the effective date of the binder or policy.

If one or more additional material risk factors are discovered during the underwriting period, we will recalculate your premium from the effective date of the binder or policy if your risk still meets our underwriting standards.

If we find during the underwriting period that the risk you are trying to insure does not meet our underwriting standards, then the coverage provided by the binder or policy may be canceled. If we decide to cancel the binder or policy, we will send you a written Notice of Cancellation advising you of the reason(s) for the cancellation and the effective date on which your policy will be canceled.

IMPORTANT NOTICE — PLEASE READ CAREFULLY

In compliance with Maryland Insurance Code section 19-215, this Important Notice is to advise that this policy contains an “Anti-Concurrent Causation” clause. This provision states that if two perils occur concurrently or in related sequence of one another, and one is excluded, the excluded peril does not become a covered peril because a covered cause of loss occurs with it. As an example, your policy does not cover flood. Wind and flood often occur together. The wind does not make flood a covered cause of loss.

Most property policies contain this provision. It is important to review your entire policy with attention to losses that are covered and losses that are not.

If you have any questions, please contact the independent agent or broker listed on the Declarations.

There is no coverage provided by this notice. If there is any conflict between the policy and this notice, the provisions of the policy, including endorsements, shall prevail.

IMPORTANT NOTICE — PLEASE READ CAREFULLY

In accordance with Maryland Insurance Code section 19-214, we are sending you this Important Notice regarding the Cancellation and Non-Renewal conditions in your Homeowners Policy.

In addition to the allowable conditions for cancellation or refusal to renew stated in your policy:

- A.** The number of claims made by you within the preceding 3-year period may be a reason for cancellation or refusal to renew of your Homeowners Policy.
- B.** Cancellation or refusal to renew coverage may be on the basis of:
 - 1.** three or more weather-related claims made within the preceding 3-year period;
 - 2.** one or more weather-related claims made within the preceding 3-year period if we have provided written notice to you for reasonable or customary repairs or replacement specific to your residence premises or dwelling that:
 - a.** you failed to make; and
 - b.** if made, would have prevented the loss for which a claim was made.
- C.** Cancellation or refusal to renew coverage may be on the basis of a change in the physical condition or contents of the residence premises or dwelling that:
 - a.** increases the hazard insured against; and
 - b.** if present and known to us before the issuance of the policy, would have caused us to refuse to issue the policy.

Thank you for entrusting us with your insurance needs. We appreciate having you as a customer. If you have any questions about your new policy, please contact the independent agent or broker listed on your Declarations.

Ask yourself: Do you have enough insurance coverage?

How much would it take to reconstruct your home?

Surprisingly, it has been estimated that 58% of American homes are underinsured by an average of 21%*. Make sure yours isn't one of them.

Each home is unique. You know your home best. It's your responsibility to make sure you're "fully insured" and "insured to value." That means you need to have enough insurance coverage to rebuild your home and replace all of your personal belongings in the event of total loss.

How can you determine your needs? Ask yourself the questions below. If you need help answering them, call your agent and discuss your insurance needs with them.

They will assist you in determining how much insurance would be needed to fully protect your home and belongings.

How much would it take to reconstruct your home at today's prices?

Things to consider:

- Your home's age (older homes tend to be more expensive to reconstruct) and style (contemporary, colonial, ranch, etc.)
- Features — fireplaces, cabinetry, built-in features, vaulted ceilings
- Flooring — hardwood, tile, natural stone, carpeting
- Finishes — crown molding, window and floor trim, faux paint, wall paper, wainscoting, chair rails, staircases, etc.
- Recent improvements you may have made (remodeled bathroom or kitchen, recessed lighting, built-in cabinets)
- A basement you may have finished or a room you may have added

How much is enough to replace the structures surrounding your home at today's prices?

Things to consider:

- Your fence, detached garage, gazebo, barn or storage shed
- If you have an in-ground swimming pool or just repaved your driveway or sidewalk

What would it take to replace your personal belongings at today's prices?

Things to consider:

- All your basics (furniture, rugs, linens, kitchenware, tools) and every electronic gadget
- Your entire wardrobe, your jewelry, medicines and personal effects
- Have you made any big purchases lately?
- If you have a garage full of tools, are passionate about the latest gadgets or collect just about anything, you should seriously consider getting more personal belongings coverage than the standard policy provides.

Let's make sure you're "fully insured."

Your agent uses replacement cost estimation tools to establish a starting point for your insurance coverage. But you know your home best. And we look to you to give your agent the most complete, up-to-date information in order to protect your home and lifestyle. Here are two quick things you can do today:

1. **Look critically at your coverage statement page (also known as the policy declarations page, which comes after the opening letter in this package).** Do you believe you have enough Coverage A? (This is the amount you'd get for reconstruction of an as-close-as-possible replica of your home in the event of total loss.) If you're not sure, call your agent for help.
2. **Take inventory.** Compare the value of your personal belongings to the Coverage C amount on your coverage statement page. Safeco has created a form that can help you get started. You'll find it at [Safeco.com/homeinventory](https://www.safeco.com/homeinventory).

It's important to know: your home's market value is totally different from what it would cost to reconstruct. Today's market value reflects economic conditions, taxes, school districts, the market value of land and many other factors that have nothing to do with how much it would cost to reconstruct your home from scratch.

Reconstruction cost — the amount needed to get you back home quickly — is based almost exclusively on the cost of materials and labor as well as demand for contractor services. In the event of total loss, a properly insured Safeco policyholder can rebuild with the same quality of materials and workmanship in their current home (unless a functional replacement cost policy was deliberately selected). Of course, we hope you'll never need these services. But we'll all sleep better knowing you're fully insured.

Thank you for trusting Safeco with your home insurance needs.

STATEMENT REGARDING FLOOD INSURANCE ADVISORY NOTICE TO POLICYHOLDERS

Please Note: This policy does NOT cover losses from flood.

Generally, the standard homeowner's insurance policy does not provide coverage for flooding, surface water that enters the home or rising water. However, coverage for these types of losses may be available through the Federal Government's National Flood Insurance Program ("NFIP") or through other sources.

You can obtain information about the National Flood Insurance Program by contacting your insurance company or your insurance agent or by going on the internet to www.FLOODSMART.GOV or by calling 1-800-427-4661. Here are some important facts you should know:

- Flood insurance policies are available for any home located in a community that is a participant in the NFIP.
- Some lenders, as a condition of your mortgage, will require that you purchased flood insurance. You should confirm with your mortgage lender or the NFIP, before settlement, if you are required to purchase flood insurance. Even if you are not required to purchase flood insurance, you should consider purchasing it as additional protection for your home.
- You do not have to be located in a special flood hazard area or be close to a body of water to experience flooding. The risk of flood is present for most homes as floods can be caused by storms, melting snow, heavy rains, dam failures or other causes.
- You must complete a separate application in order to purchase flood insurance; it is not part of your homeowner's insurance application.
- Flood insurance policies have two types of coverage: structural coverage for your home and the items that are permanently attached and contents coverage for your personal property within the home. Structure and contents coverages are purchased separately and carry separate deductibles.
- Generally, there is a thirty (30) day waiting period for a new flood insurance policy to become effective; although there are some exceptions to this general rule.
- As flood insurance through the NFIP is created by federal law, flood claims are adjusted and paid in a different manner than your homeowners' insurance claims.

INSURING AGREEMENT

In reliance on the information you have given us, we will pay claims and provide coverage as described in this policy if you pay the premiums when due and comply with all the applicable provisions outlined in this policy.

This policy applies only to losses occurring during the policy period.

SECTION I — PROPERTY COVERAGES

BUILDING PROPERTY WE COVER

COVERAGE A — DWELLING

We cover:

1. the dwelling on the **residence premises** shown in your Policy Declarations used principally as a private residence, including structures attached to the dwelling other than fences, driveways or walkways;
2. attached carpeting, built-in appliances, fixtures; and
3. materials and supplies located on or next to the **residence premises** used to construct, alter or repair the dwelling or other structures on the **residence premises**.

COVERAGE B — OTHER STRUCTURES

We cover:

1. fences, driveways and walkways; and
2. other structures on the **residence premises**, separated from the dwelling by clear space. This includes retaining walls, decorative or privacy walls and other structures connected to the dwelling by only a fence, utility line, plumbing, or similar connection.

BUILDING PROPERTY WE DO NOT COVER

1. Land, no matter where it is located, including land on which the dwelling is located, except as noted in **Additional Property Coverages, Land Stabilization**.
2. Other structures:
 - a. used in whole or in part for business; or
 - b. rented or held for rental to any person not a tenant of the dwelling, unless used solely as a private residence or garage.

BUILDING PROPERTY LOSSES WE COVER

We cover accidental direct physical loss to property described in Building Property We Cover except as limited or excluded.

BUILDING PROPERTY LOSSES WE DO NOT COVER

We do not cover loss caused directly or indirectly by any of the following excluded perils. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area;

1. freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system, or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing, while the dwelling is vacant, unoccupied or under construction, including being newly built, remodeled, reconstructed, renovated or repaired. This provision does not apply if you have used reasonable care to:
 - a. maintain heat in the building; or

- b. shut off the water supply and drain the system and appliances of water;
- 2. freezing, thawing, pressure or weight of water, ice or snow whether driven by wind or not, to a swimming pool, hot tub or spa, including their filtration and circulation systems, fence, landscape sprinkler system, pavement, patio, foundation, retaining wall, decorative or privacy wall, bulkhead, pier, wharf or dock;
- 3. theft in, to or from a dwelling under construction, including materials and supplies for use in the construction, until or unless the dwelling is occupied. A dwelling under construction includes being newly built, remodeled, reconstructed, renovated or repaired. This exclusion does not apply if you are occupying the dwelling as your primary residence at the time of the loss;
- 4. vandalism and malicious mischief, including fire caused by arson, or breakage of glass and safety glazing materials if the dwelling has been vacant for more than 60 consecutive days immediately before the loss. A dwelling under construction, including being newly built, remodeled, reconstructed, renovated or repaired is not considered vacant.
- 5. continuous or repeated seepage or leakage of water or steam, or the presence or condensation of humidity, moisture or vapor which occurs over a period of weeks, months or years.
- 6.
 - a. wear and tear, marring, scratching, deterioration;
 - b. inherent defect, mechanical breakdown;
 - c. smog, rust or other corrosion, or electrolysis;
 - d. smoke from agricultural smudging or industrial operations;
 - e. settling, cracking, shrinking, bulging, or expansion of pavements, patios, foundations, walls, floors, roofs, ceilings, swimming pools, hot tubs, spas or chimneys;
 - f. birds, vermin, rodents, insects or domestic animals;
 - g. pressure from or presence of plant roots.

However, we do insure for any resulting loss from items 1. through 6. unless the resulting loss is itself excluded under **Building Property Losses We Do Not Cover** in this Section. If loss to covered property is caused by water or steam not otherwise excluded, we will cover the cost of tearing out and replacing any part of the building necessary to repair the system or appliance. We do not cover loss to the system or appliance from which water or steam escaped.

- 7. **Pollution or Contamination**, meaning the existence of or the actual, alleged, or threatened discharge, dispersal, seepage, migration, release, escape, emission, transmission or absorption of **pollutants or contaminants** at any time except as provided by **Additional Property Coverages — Household Products Coverage** under **Section I — Property Coverages**.
- 8. **Ordinance or Law**, meaning any ordinance or law:
 - a. requiring or regulating the construction, remodeling, renovation, repair, or demolition of building property, including removal of resulting debris, unless specifically provided under this policy;
 - b. the requirements of which result in a loss in value to property; or
 - c. requiring any **insured** or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, **pollutants or contaminants**.

This exclusion applies whether or not the building property has been physically damaged.

- 9. **Earth Movement**, meaning:
 - a. the sinking, rising, shifting, expanding or contracting of earth, all whether combined with water or not. Earth movement includes but is not limited to **earthquake**, landslide, mudflow, mudslide, sinkhole, subsidence, movement resulting from improper compaction, site selection or any other external forces, erosion including collapse or subsidence of land along a body of water as a result of erosion or undermining resulting from the action of water. This includes the channeling of a river or stream;
 - b. erosion, shifting or displacement of materials supporting the foundation; and
 - c. volcanic blast, volcanic explosion, shockwave, lava flow, lahars and fallout of volcanic particulate matter.

This exclusion applies whether the earth movement is caused by or resulting from human or animal forces or any act of nature.

We do cover direct loss by fire, explosion or theft.

10. Water Damage, meaning:

- a. (1) flood, surface water, waves, tidal water, tsunami, seiche, overflow of a body of water, storm surge or spray from any of these, whether or not driven by wind, including hurricane or similar storm; or
- (2) release of water held by a dam, levee, dike or by a water or flood control device or structure;

 - b. pay the difference between **actual cash value** of the pair or set before and after the loss.
- 7. Appraisal.** If you and we do not agree on the amount of the loss, including the amount of **actual cash value** or **replacement cost**, then, on the written demand of either, each shall select a competent and disinterested appraiser and notify the other of the appraiser selected within 20 days of such demand. The appraisers shall first select a competent and disinterested umpire; and failing for 15 days to agree upon such umpire, then, on request of you or the company, such umpire shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then resolve the issues surrounding the loss, appraise the loss, stating separately the **actual cash value** or **replacement cost** of each item, and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two of these three, when filed with the company shall determine the amount of loss.
- Each party will:
- a. pay its own appraiser; and
 - b. bear the other expenses of the appraisal and umpire equally.
- 8. Suit Against Us.** No action shall be brought against us unless there has been compliance with the policy provisions and the action is started within one year after the inception of the loss or damage.
- 9. Our Option.** If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the property damaged with equivalent property.
- 10. Loss Payment.** We will adjust all losses with you. We will pay you unless some other person is named in the policy to receive payment. Loss will be payable 30 days after:
- a. we reach agreement with you;
 - b. there is an entry of a final judgment; or
 - c. there is a filing of an appraisal award with us.
- 11. Abandonment of Property.** We need not accept any property abandoned by any **insured**.
- 12. Mortgage Clause.**
- The word "mortgagee" includes trustee. If a mortgagee is named in this policy, any loss payable under Coverage A or B shall be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment shall be the same as the order of precedence of the mortgages.
- If we deny your claim, that denial shall not apply to a valid claim of the mortgagee, if the mortgagee:
- a. notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
 - b. pays any premium due under this policy on demand if you have neglected to pay the premium;
 - c. submit a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so.
 - d. complies with item 3.e. of **Section I — Property Conditions**.

Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee. If the policy is canceled or not renewed by us, the mortgagee shall be notified at least 20 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- e. we are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- f. at our option, we shall receive full or partial assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt as our payment, including any accrued interest, as it bears to the amount of the principal on the mortgage.

Subrogation shall not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

- 13. **No Benefit to Bailee.** We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this policy.
- 14. **Other Insurance and Service Agreements.** If a loss covered by this policy is also covered by:
 - a. other insurance, we will pay only the proportion of the loss caused by a peril insured against under this policy that the limit of liability applying under this policy bears to the total amount of insurance covering the loss; or
 - b. a service agreement, this insurance is excess over any amounts payable under any such agreement. Service agreement includes a service plan, property restoration plan or warranty, even if it is characterized as insurance.
- 15. **Recovered Property.** If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.
- 16. **Salvage Value.** Any value that may be realized from **salvage** will not diminish the amount owed by you under the deductible clause. We need not accept, but have all rights to **salvage**.

This policy applies only to loss under Section I, or *bodily injury* or *property damage* under Section II, which occurs during the policy period. This policy may be renewed for successive policy periods if the required premium is paid and accepted by us on or before the expiration of the current policy period. The premium will be computed at our then current rate for coverage then offered.
- b. Changes:
 - (1) Before the end of any policy period, we may offer to change the coverage provided in this policy. Payment of the premium billed by us for the next policy period will be your acceptance of our offer.
 - (2) This policy contains all agreements between you and us. Its terms may not be changed or waived except by endorsement issued by us. If a change requires a premium adjustment, we will adjust the premium as of the effective date of change. Additional or return premium of \$3.00 or less will be waived.

2. Concealment or Fraud. This policy was issued in reliance upon the information provided on your application. We may void this policy if you or an *insured* have intentionally concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct at the time application was made or any time during the policy period.

We may void this policy or deny coverage for a loss or *occurrence* if you or an *insured* have intentionally concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct, in connection with the presentation or settlement of a claim.

We may void this policy or deny coverage because of fraud or material misrepresentation even after a loss or *occurrence*. If so, you must reimburse us for any payments we may have already made.

3. **Liberalization Clause.** If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state.

This liberalization clause does not apply to changes implemented that involve a broadening and a restriction of coverage or an increase in premium.

 - (3) When this policy has been in effect for 60 days or more, or at any time if it is a renewal with us, we may cancel if there has been a material misrepresentation of fact which if known to us would have caused us not to issue the policy or if the risk has changed substantially since the policy was issued. This can be done by notifying you at least 15 days before the date cancellation takes effect.
- c. When this policy is canceled, the premium for the period from the date of cancellation to the expiration date will be refunded. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us for cancellation, we will refund it within a reasonable time after the date cancellation takes effect.

The following Additional Coverage is added under **Section I:**

IDENTITY RECOVERY COVERAGE

We will provide the Case Management Service and Expense Reimbursement Coverage indicated below if all of the following requirements are met.

1. There has been an **ID theft** involving the personal identity of an **insured** under this policy; and
2. Such **ID theft** is first discovered by the **insured** during the policy period for which this Identity Recovery coverage is applicable; and
3. Such **ID theft** is reported to us within 60 days after it is first discovered by you.

If all three of the requirements listed above have been met, then we will provide the following to the **insured**:

1. Case Management Service

Services of an **ID recovery case manager** as needed to respond to the **ID theft**.

2. Expense Reimbursement

Reimbursement of necessary and reasonable **ID theft expenses** incurred as a direct result of the **ID theft**.

This coverage is additional insurance.

LIMITS

Case Management Service is available as needed for any one **ID theft** for up to 12 months in a row from the inception of the service. Expenses we incur to provide Case Management Service do not reduce the amount of limit available for Expense Reimbursement coverage.

Expense Reimbursement coverage is subject to a limit of \$25,000 annual aggregate per **insured**. This limit is the most we will pay for the total of all loss or expense arising out of all **ID thefts** to any one **insured** which are first discovered by the **insured** during the present annual policy period. This limit applies regardless of the number of claims during that period.

An **ID theft** may be first discovered by the **insured** in one policy period and continue into other policy periods. If so, all loss and expense arising from such **ID theft** will be subject to the aggregate limit applicable to the policy period when the **ID theft** was first discovered by the **insured**.

Coverage for legal costs is found under item **d.** of the definition of **ID theft expenses**. Such legal costs are part of, and not in addition to, the Expense Reimbursement coverage limit.

Item **e.** Lost Wages and item **f.** Child and Elder Care Expenses of the definition of **ID theft expenses** are jointly subject to a sub-limit of \$250 per day, not to exceed \$5,000 in total. This sub-limit is part of, and not in addition to, the Expense Reimbursement coverage limit. Coverage is limited to wages lost and expenses incurred within 12 months after the first discovery of the **ID theft** by the **insured**.

DEDUCTIBLE

Case Management Service is not subject to a deductible.

Expense Reimbursement coverage is subject to a deductible as shown on your Declarations page. You shall be responsible for only one deductible under this endorsement during any one policy period.

EXCLUSIONS

The following additional exclusions apply to this coverage. These exclusions apply to both Case Management Service and Expense Reimbursement.

We do not cover loss or expense arising from any of the following.

1. The theft of a professional or business identity.
2. Any fraudulent, dishonest or criminal act by an **insured**. This includes any such act by a person aiding or abetting an **insured**. This also includes any such act by an authorized representative of an **insured**. In all these cases, it does not matter whether the individual is acting alone or in collusion with others.
3. Loss other than **ID theft expenses**. Account balances which arise out of fraudulent charges would be one example of loss other than **ID theft expenses**.
4. An **ID theft** first discovered by the **insured** prior to or after the period for which this coverage applies. This exclusion applies whether or not such **ID theft** began or continued during the period of coverage.
5. An **ID theft** that is not reported to us within 60 days after it is first discovered by the **insured**.
6. An **ID theft** that is not reported in writing to the police.

CONDITIONS

The following additional Conditions apply to this coverage.

A. Assistance and Claims

If you have questions or need help, please call the **ID Recovery Help Line** at **1 (800) 631-9073**.

The **ID Recovery Help Line** is available to provide you with the following.

1. Information on how to respond to a possible **ID theft**.
2. Instructions for how to submit a service request for Case Management Service and/or a claim form for Expense Reimbursement Coverage.

In some cases, we may provide Case Management services at our expense to an **insured** prior to a determination that a covered **identity theft** has occurred. Our provision of such services is not an admission of liability under the policy. We reserve the right to deny further coverage or service if, after investigation, we determine that a covered **identity theft** has not occurred.

As respects Expense Reimbursement Coverage, you must send to us receipts, bills or other records that support your claim for **ID theft expenses**. Such records must be sent to us within 60 days after our request.

B. Computer Security

Each **insured** has the responsibility to use and maintain security for his or her computer system. This includes the use of personal firewalls and anti-virus software. This also includes the proper disposal of used hard drives.

C. Services

The following conditions apply as respects any services provided by us or our designees to you or any **insured** under this endorsement.

1. Our ability to provide helpful services in the event of an **ID theft** depends on your cooperation, permission and assistance.
2. All services may not be available or applicable to all individuals. For example, **insureds** who are minors or foreign nationals may not have credit records that can be provided or monitored. Service in Canada will be different from service in the United States and Puerto Rico in accordance with local conditions.
3. We do not warrant that our services will end or solve all problems associated with an **ID theft**. We do not warrant that our services will prevent future **ID thefts**.

All other provisions of this policy apply.

EQUIPMENT BREAKDOWN CONDITIONS

The following Loss Settlement Conditions shall apply to covered loss caused by **equipment breakdown**:

1. **Deductible** We cover only that part of the loss that exceeds \$500. In the event that more than one deductible may be applied to a loss that includes **equipment breakdown** the single highest deductible shall be applied.

However, we will not pay more than 125% of what the cost would have been to repair or replace with like kind and quality. This condition does not increase any of the applicable coverage limits or apply to any Actual Cash Value loss settlement.

ENERGY STAR is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy whose objective it is to help you save money and protect the environment through energy efficient products and practices.
