

Financial Responsibility Identification Card

Prepared on March 15, 2022

- **Detach** your identification cards along the perforated lines.
- **Keep** this card in your vehicle.
- **See** section following ID Cards for **What's enclosed**.

IMPORTANT NOTICE ...

Pennsylvania law requires insurance companies to provide each Policyholder with an Identification (ID) Card for each insured vehicle. The card shows that a Liability Insurance Policy has been issued which satisfies the financial responsibility requirements of the law.

You are required to maintain financial responsibility on each vehicle. It is against Pennsylvania law to use the ID card fraudulently for example as proof of financial responsibility after the policy is terminated.

Your ID Card may be used for vehicle registration and replacing license plates. It must also be shown to any police officer, judge or hearing officer if requested. In the event of an accident your ID card may be used to exchange information with other drivers.

If you lose your ID card or have any questions about its use just get in touch with your agent.
