## Estimated Reconstruction Cost

Calculated Value:

**\$161,000.00**

We do not guarantee that the reconstruction cost estimate will reflect your home's actual reconstruction costs in the event of a loss. We hope our estimate helps you so you can determine the amount of coverage you need. However, even if all of the factors available in the estimating system are or are not utilized in reaching the estimate or if all information is or is not accurately input, the result will still be an estimate which you need to evaluate for adequacy. The most important consideration is that you feel you have enough protection to rebuild your home if it were completely destroyed. If you feel this estimate is not enough, then you should choose an amount of insurance which does match your estimate. If you have questions about construction costs in your area, please consult a contractor or an appraiser.

(Reconstruction cost includes all applicable permits, fees, overhead, profit, sales tax, and debris removal)
